Greetings to the Church at Ellore,

I am thankful for the Spring season! It is that time of year when I get to experience the miracle of “new life” all around me. Flowers blooming, trees budding, birds singing, and a multitude of other signs that point me to the wonder of some “Greater Architect” (other than man) who designed it all. The gray bleak days of winter are turned into a warm kaleidoscope of brilliant colors...and the world just seems to be “more alive”.

I am also thankful to be a part of the Church...the body of Christ. For it is through Jesus’ life, death, and resurrection that I am able to experience His “new life”. He is the “Greater Architect” who has made me “more alive” than the world can ever comprehend.

What a great opportunity we have at Ellore , as we celebrate the resurrection of our Lord, to share this “new life” with others. Thanks once again for letting Anne and me be a part of what God has planned for His Church here.

Blessings,
 Charles
