January 2018

Greetings to the Church at Ellore,

My wife, Anne, and I are excited about the opportunity to be with you as I serve as your (interim) Pastor beginning January 2018. We both feel God's hand in this decision but we know that the "Church" is made up of many "gifted" believers and that it will not thrive as God intended without "ALL of us working together". I know there are many programs in the church that I will learn about in the weeks ahead,... but I believe that there are great things the Lord has planned for us if we only allow His Spirit to lead us corporately:

- On Sunday morning, January 7th, I will be preaching on what it means to become a "Servant".
- That Sunday evening, I would like to begin a teaching series in the Book of Revelation.
- The following Wednesday, January 10th, I anticipate a time of growth as we fellowship and study Scripture.

I hope you will make plans to be a part of the great things God has in store for the Church at Ellore. I trust each of you had a Merry Christmas... and I look forward to "ALL of us working together" to have a Spirit-filled New Year!

Blessings,
Charles
