Greetings to the Church at Ellore,

There are several interesting **FACTS** about the month of July: Not only does it commemorate the signing of the American Declaration of Independence on July 4th but it is the seventh month of the year. It was named by the Roman Senate in honor of the birthday of the great Roman general, **Juli(us)** Caesar. It is on average the warmest month in the Northern hemisphere and the coldest month in the Southern hemisphere.

July 3rd (at 8AM in Ellore SC) marks exactly "half a year",

July 4th is also known as "Sidewalk Egg Frying Day",

July 5th "Workaholics Day",

July 6th "International Kissing Day",

July 11th "Cheer up the Lonely Day",

July 15th "Cow Appreciation Day",

July 21st "National Junk Food Day",

July 22nd "Rat catcher's Day",

And on July 20, 1969, Neil Armstrong was the first man to walk on the moon.

July could also be the month **you invite** an un-churched friend to attend

FBC...and that will be a **FACT** for all eternity.

When you do invite someone... please introduce him or her to me!

Blessings,

Charles

Vacation Bible School

**Whew! What a fantastically, fun
 week we had at GAME ON
 VBS this year! One count re-
 vealed 93 kids, 20 youth, and 36
 adults! All those numbers add
 up to SUCCES, as we share the
 love of Jesus and made memo-
 ries at church that will stay
 with those little people for a
 long time too come. We
 played games, made crafts,
 sang songs, ate snacks, learned
 about missions, and listened to
 Bible stories! What a busy
 week in the life of our church
 family! Thank you everyone for
 all you did to build up the king-
 dom of God through VBS!**
