Greetings to the Church at Elloree,

James (1:2) tells us that when troubles come our way... we should "consider it an opportunity for great joy."

"On November 8, 1970, there was a hard fought game between the New Orleans Saints and the Detroit Lions. With only a few seconds left, the Saints decided to try something that had never been done before in the history of football. They decided to attempt a 63- yard field goal to win the game. More astounding than the attempt, however, was the man they sent on to the field to kick the ball: a left footed kicker with no fingers or toes on his right side, and only half of a kicking foot. When Tom Dempsey kicked the ball that day, he set a world record and won a game, because... he saw an obstacle but refused to let it handicap him."

It's easy for me to become discouraged as a Christian when I face a difficult challenge ... but I realize that I have been given a "gift" far greater than any professional football player. I am (along with you) in the "family of Christ"....and when WE come together (as His Church), we are reminded that even "the gates of hell" will be unable to stop us. Aren't you glad to be a part of "His Family" at Elloree?

Blessings,
Charles
