November 2018

Greetings to the Church at Ellore,

NOVEMBER... the month of "Thanksgiving"! A time of plenty...but sometimes, as Americans, it's easier to focus on what we don't have, rather than what we do have. So..., maybe we should take time-out and remember all of the things to be thankful for that many of us take for granted....

Things like...family, good friends, freedom, weekends, air, sleep, laughter, sunshine, learning from mistakes, rain, quiet-time, strangers, pain that helps us appreciate health, campfires, mountains, sunsets, stars, grocery stores, electricity, air conditioning, children, oceans, music, gnats that help us appreciate winter, modern medicine, hiking trails, service men and women, police, campfires, creation, light, love, and life...

November is indeed a season of "gratitude". God made us in the beginning to be grateful...to be thankful to Him and to worship Him in a spirit of thanksgiving. Satan's original sin was "pride" that led to an "ungrateful" heart. It was the Serpent's plan in the garden to infect mankind with his venom of "ingratitude".

But in truth, Godly gratitude can change your life's whole perspective. The author, Melody Beattie, said it this way, "Gratitude unlocks the fullness of life. It turns what we have into more than enough. It can turn a meager meal into a feast, a house into a home, a stranger into a friend, and a sorrow into a blessing."

And as Christians, we have reason for the most grateful hearts of all...because... "God so loved (us) that He gave His only begotten Son (for us), that whosoever believes in Him will never perish, but have everlasting life (with Christ)." John 3:16

Blessings,
Charles
